(April-2022)**

In the award-winning game, My Time at Portia, you meet and engage the characters one on one, but the game is about much more than just putting cards down on a big board! My Time At Portia was created in partnership with Tim Thornton, whose narrative is an original addition to this soundtrack. My Time At Portia is an interactive narrative about a journey of self-discovery through a series of flashbacks to the early years of Portia as a girl who moves in with her father after her parents divorce. The game has over ten different versions and is one of the few truly autobiographical games to be released over the past few years. The music has been composed by Alan Menche, arranged by Brady Da Costa. About The Composer: Alan Menche is a composer for Theatre, Film, Television and Videogames. He is primarily known for his work in action films like Inception (2010), Madagascar (2005) and the live action Pokémon video game Black and White. Alan Menche My Time at Portia [Main Theme] The My Time at Portia Original Soundtrack is scheduled to release on 01.09.2017.
